

ALGHURAIR interiors ش.م.ع.
الغزير لتصميم وتنفيذ الاعمال الداخلية ش.م.ع.

OUR COMPANY

Al Ghurair Interiors LLC specializes in full fit-out and refurbishment works for all types of interiors, offering a diverse range of services for a variety of projects such as villas, apartments, resorts, luxury condominium towers, retail centers, office buildings and hotels.

By Stimulating resourcefulness and testing conventions, our aim is to approach projects with the most creative, professional, and cost effective manner. In order to match the needs and aspirations of occupants and clients.

Our mission is to provide superior quality finishing product that are contracted, scheduled, engineered, and managed to create maximum value for our customers. Through strategic alliances and expanded ownership, we have grown into a full interior service engineering powerhouse offering services in all relevant fields. We are prequalified as a first class contracting firm in all aspects of the Public Sector.

ABOUT US

Al Ghurair Interiors LLC is a progressive interior designing firm and a member of Al Ghurair Contracting & Engineering Works LLC, which flourishes under the parental guardianship of A&H investment LLC. (A&H), the holding company of a variety of subsidiaries and associates that have more than 25 years of operational history.

With our strategic vision and distinctive design/execution concepts for residential, commercial, or retail interior fit-out spaces, we deliver exquisite, modular, and elegant quality by adhering to our core values of integrity, reliability and innovation.

We're committed to offering you innovative interior design/execution services with a comprehensive understanding of the requirements and with the unique goal "to offer an optimal solution under the prevailing constraints and deliver the best value for the client's money"

WHAT WE DO

Our expertise extend to key features of interior design and construction, including new builds, refurbished properties, fit-outs, facilities management and highly technical infrastructure installation

- Wall and floor coverings (wall papers, paneling, special paints, marble, tiles, parquet, carpet, etc...)
- Suspended ceiling (false ceiling systems, gypsum, stretch fabric, etc...)
- Doors, aluminum, glass, mirrors, metal, and wood joinery works
- Furniture, upholstery, curtains, etc...
- Kitchens and specialties
- Our services extend from/to:
- Full scale internal fit-out/renovation
- Soft scale restoration
- Upgrade redecoration
